Thursday, March 4, 2010

Berea Children's Home and Family Services centralized its Cleveland offices into a new campus.

The four offices were consolidated into the 40,000-square-foot Cleveland Mid-Town Campus at 3500 Carnegie Ave.

The campus will house more than 200 staff members

and include three conference rooms, four training rooms and 18 meeting/classrooms for client meetings, group sessions, parent training, literacy and employment training.

Since 1990 the agency has had offices and staff in the Cleveland Mid-Town area.
