

THIRD ANNUAL HOLIDAY HOP

Support families in need

by **Marisa Sparenga**

On Saturday, December 12, Berea will celebrate its Third Annual Holiday Hop, supporting Berea Children's Home and Family Services.

Berea's Holiday Hop is sponsored by Cornerstone Brewing Company, Mike's Bar & Grille, and Luna Marketing.

The Third Annual Holiday Hop supports the Berea Children's Home & Family Services. Tickets are just \$20 and a wrapped gift.

"This event provides the perfect opportunity to give back to the community," says Elizabeth Lawson, advancement coordinator for Berea Children's Home. "Without the support and generosity of community members, it would not be possible to provide our children and families with gifts to help make their holiday season special."

The party begins at 2 p.m. at Cornerstone Brewing Company where guests will enjoy a special tapping of the brewery's Christmas ale, hors d'oeuvres, caroling, and a visit from Santa Claus. At

4 p.m., guests will "hop" over to Mike's Bar and Grille for more food, drink and entertainment.

The afternoon includes entertainment, appetizers, a commemorative pint glass—for the first 65 people—brewery tours, and one pint of special holiday brew at each location. Come dressed in your favorite Christmas attire.

Tickets are available at a cost of just \$20 and one wrapped gift to donate to Berea Children's Home and Family Services and may be purchased at Cornerstone Brewing Company, Mike's Bar & Grille, and Luna Marketing Inc.

For gift ideas, check out the BCHFS wish list by visiting www.bchfs.org/pdf/holiday2009wishlist.pdf. If you are unable to attend this celebration but would like more information about making a charitable donation to Berea Children's Home and Family Services, please contact Beth Lawson, advancement coordinator, at 440-260-8231, or Elizabeth.Lawson@bchfs.org. Through a continuum of services BCHFS strives to respond to the individual mental health and developmental needs of the community's most vulnerable children and their families.
